

INTERNSHIP OFFER LETTER

Student Details

Name	Deepak
Roll Number	9588161422
Course / Branch	Data Analyst
University	GJU

Dear Student,

On behalf of **Code Scaler, Jind, Haryana**, we are pleased to offer this **Internship Offer Letter** to you as part of our **Industrial Internship Program 2026**. After a rigorous evaluation of your academic background, technical aptitude, and overall potential, you have been found suitable for this opportunity and we are delighted to welcome you to the Code Scaler team.

This letter serves as your official offer of internship and outlines the terms and conditions of your engagement with Code Scaler. Please read this document carefully and acknowledge your acceptance by signing at the designated space below.

You are requested to coordinate with your T&P Cell as per their internal process upon receiving this letter.

Internship Details

Organization	Code Scaler, Jind, Haryana
Program	Industrial Internship Program 2026
Duration	2 Months (8 Weeks)
Working Schedule	5 Days/Week
Tentative Start	June 2026 (As communicated)
Mode	As Discussed
Domain	Data Analyst
Mentor	Deepak & Ajay, Co-Founders & Trainers — Code Scaler

Terms & Conditions of Internship

► Roles & Responsibilities

You will be assigned to a live industry project and are expected to contribute actively, take ownership of your tasks, meet deadlines, and maintain a professional standard of work throughout the internship period. Your specific role and project assignment will be communicated to you on or before the date of joining.

► Performance-Based Reward

Upon successful completion of the 2-month internship, students who demonstrate consistent effort, strong performance, and quality deliverables will be eligible for a Performance-Based Reward / Stipend as a recognition of their contribution to the organization. The reward will be evaluated and disbursed at the sole discretion of Code Scaler management based on overall performance.

► Pre-Placement Offer (PPO)

Interns who exhibit exceptional performance, technical growth, and professional conduct throughout the program may be considered for a Pre-Placement Offer (PPO) and/or a longer-term engagement with Code Scaler or our partner organizations, without going through a full recruitment cycle.

► Certificate of Completion

All students who maintain a minimum of 85% attendance and successfully complete and submit their assigned project work will be awarded an official Certificate of Industrial Training Completion by Code Scaler. The certificate will be digitally verifiable and LinkedIn-ready, issued within 7 working days of program completion.

► Attendance & Regularity

Interns are expected to attend all sessions regularly and on time. A minimum of 85% attendance is mandatory to be eligible for the Certificate of Completion and Performance-Based Reward. In case of any unavoidable absence, prior intimation to the mentor is required.

► Professional Conduct

All interns are expected to conduct themselves with the utmost professionalism throughout the duration of the internship. This includes punctuality, respectful communication with team members and mentors, adherence to organizational norms, and a positive attitude towards learning and collaboration.

► Confidentiality

All project-related work, client information, source code, business data, and internal processes of Code Scaler and its clients must be treated as strictly confidential. Interns must not disclose, share, or replicate any such information with any third party during or after the internship period.

► Compliance with University Norms

This internship is being conducted in coordination with the Training & Placement Cell of GJU. Interns are required to comply with all formalities, documentation, and procedures as stipulated by their university in addition to the requirements of Code Scaler.

What You Will Receive

- 2 Months of hands-on, industry-level project experience
- Weekly mentorship and doubt-clearing sessions with industry professionals
- Verifiable Certificate of Industrial Training upon successful completion
- Portfolio-ready project to showcase to future employers
- Resume review, LinkedIn optimization, and mock interview support
- Performance-Based Reward for top contributors
- Pre-Placement Offer (PPO) consideration for exceptional performers
- Lifetime access to session recordings and study materials

Acceptance & Confirmation

Kindly acknowledge your acceptance of this internship offer by signing this letter and returning a copy to us. You are also requested to inform your Training & Placement Cell of this offer and complete any formalities required at the university level.

For any queries, please feel free to contact us at **+91 9588161422** or visit **internship.codescaler.com**. We look forward to your confirmation and are excited to have you as part of the Code Scaler team.
